*Did not complete all of S-211 at AGS will need to attain the field exercise at the home unit (proper setup, operation, field maintenance and trouble shooting plus demobilization of portable pumps). Upon verification, employee will receive a certification of completion.

Certificates of completion were issued to each student at successful completion of the course.

All students that have IQCS accounts have been awarded credit for the course sessions they attended (L-280 session #683 and/or S-211 session #837)

The following instructors were instrumental in the completion of these classes: Reggie Day, Stan Goode, Justin Figgins, John Pollard, Waylon Meek, Jerrod Scheffelmanier, James Grasham, Destry Scheel, Mike Almas, Wendy Kucera, Rob Mulvaney, Dean Kiefer, Adam Ackerman, Chris Lund, Evan Ratcliffe, Jake Hirst, Adam Furlin, Colter Smart, Paul Wagner.

Questions regarding this course should be directed to the course coordinator, Reggie Day (208) 769-3043.
